

An Innovative Solution to the Foreclosure Crisis in Southeastern Michigan

Online Web Portal Provides One-Stop Solution For Homeowners Seeking Assistance

The foreclosure epidemic has hit Southeastern Michigan particularly hard. The good news is, as a result of a collaborative approach, Southeastern Michigan residents now have a trusted, easy way to access critical foreclosure prevention services. The Southeastern Michigan Regional Foreclosure Intervention and Neighborhood Stabilization Collaborative, in conjunction

with the United Way for Southeastern Michigan, came together to develop an exciting online technology solution that is available to residents of Wayne, Oakland, Macomb and Washtenaw counties. You are invited to join us as we unveil this innovative approach, based on technology developed by Wayne County, that will enable us to better address foreclosure in our region.
